

RED - BLUE CHALLENGE GUIDELINES

**Please check in on Friday for the 8:30 AM
Saturday Shotgun**

Please wear the colors for your team.

2-person scramble Blue VS 2-person scramble Red

Score a point for each hole that you win (have less strokes than the opponent on the hole).

On your scorecard record your score and your wins.

Be sure the competitors agree on the number of wins per team, 1 point per hole that you win. No point for ties or losses. A maximum of 9 points can be won. Total your points on the scorecards and have the opposing team sign to verify as correct.

No drive requirement.

Play all 18 holes. Although you can win a maximum of 9 points you must continue playing to keep your opponent from securing additional points.

Putt out unless the putt is given by your opponent.

It is okay to concede a hole if it is apparent that you can't win the hole. Simply write on the scorecard 1 point for the winning team.

Bring your scorecard to the Golf Shop.
